## CHECK LIST OF MAGAZINE ARTICLES

regarding "THE CIRCUS"

-----

BY Burt L. Wilson,

Editor's Note: My 1943 list contains, besides the regular magazine articles, many important newspaper articles and also some of the principal articles in White Tops, Billboard, Hobbies, The Bandwagon and Greater Show World. This has been done at the request of collectors and readers who have been kind enough to write to me during the past year.

Needless to say I had no idea last year when the first list was compiled that as much interest among collectors and fans existed. But over 200 letters have been received and answered last year on this interesting phase of circus collecting.

Will appreciate very much notification of articles in little-known magazines, trade papers, etc., and in turn I hope to make this an annual list for your attention and interest.

-----

Note: This list is distributed to members of the Circus Historical Society with the compliments of:

Walter W. Tyson  
President - CHS.

and

Burt L. Wilson,  
Vice-President  
CHS.
